

Working with Trinity

Your guide to getting started as an ESOL Skills for Life exam centre

Registration

Fill in the application form with your details. Becoming a centre is quick and easy. Plus there are no registration or annual fees to pay.

Your Trinity team

You will have a team of dedicated contacts to call on whenever you need help.

Training and resources

We organise bespoke and open training sessions to help you get started and make sure your learners succeed.

You can also find a wide range of free, high-quality teaching resources on our website.

Exam and booking support

Book, enrol and timetable your candidates via our online portal.

Our Best Practice Guidebook covers all the important information for everyone in your organisation.

Professional assessment

Trinity organises professional examiners to conduct Speaking and Listening assessments with your learners and to mark the results.

Reading and Writing papers are securely returned to Trinity for marking.

Quality assurance

Our rigorous procedures around quality assurance ensure that students are accurately assessed and on-level for the next stage of their learning journey.

Results

Results and certificates are sent directly to your centre.

Certificates are valid for life and carry no additional fees.
