2026 edition

- Candidates should compile and perform a programme displaying a range of moods, styles and tempi.
- Programmes must consist of a minimum of three works.
- All works should be performed complete, except where single movements are specified.
- The music performed can:
 - be drawn entirely from the appropriate repertoire list below
 - combine pieces from the appropriate repertoire list with own-choice pieces*
 - contain only own-choice pieces*
- * Any programme which includes own-choice repertoire must be pre-approved.
- Own-choice pieces must demonstrate a level of technical and musical demand comparable to the pieces listed in the relevant repertoire list.
- Permission to perform repeats as part of any work should be sought via the approvals process.
- **ATCL and LTCL.** Candidates must play at least one piece from each instrumental group within the orchestral percussion family; ie candidates must play:
 - at least one piece on marimba (or xylophone or vibraphone)
 - at least one piece on timpani
 - at least one piece on untuned percussion.

Drum kit may not be included (except as part of a multi-percussion piece).

- **FTCL.** Candidates should ensure that their programme displays a variety of instruments and techniques, including multi-percussion. However, they are not required to use all members of the percussion family. Drum kit may not be included (except as part of a multi-percussion piece).
- Timings are as follows:

Diploma level	Performance duration	Exam duration
ATCL	32-38 minutes	40 minutes
LTCL	37-43 minutes	45 minutes
FTCL	42-48 minutes	50 minutes

- Candidates must provide a written programme and copies of all pieces to be performed.
- Face-to-face exams: percussion diplomas are available at the London centre without prior arrangement. Entries at other diploma centres will depend on the facilities available; approval must be obtained in advance from the local representative and confirmed in writing by Trinity’s London office before an entry is submitted.
- Face-to-face exams: except at the London centre, where a standard range of instruments is available, candidates are responsible for providing, insuring and setting up all instruments and play-along equipment. All percussion candidates must be sure to discuss their requirements well in advance with the local representative to ensure that the correct instruments are available, and that sufficient time is available for set up.
- Face-to-face exams: the appointment form, written programme, copies of the pieces and approval letter (if applicable) should be given to the examiner at the start of the exam.
- Digital exams: the written programme, scans of the pieces and approval letter (if applicable) should be uploaded with the video; pieces should be listed on the relevant screen.
- For full details, including the process for submitting own-choice repertoire, please see the current syllabus at trinitycollege.com/performance-diplomas.
