DIPLOMA REPERTOIRE LIST

2026 edition

- Candidates should compile and perform a programme displaying a range of moods, styles and tempi.
- Programmes must consist of a minimum of **three** works.
- All works should be performed complete, except where single movements are specified.
- The music performed can:
 - be drawn entirely from the appropriate repertoire list below
 - combine songs from the appropriate repertoire list with own-choice songs*
 - contain only own-choice songs*
- * Any programme which includes own-choice repertoire must be pre-approved.
- Own-choice songs must demonstrate a level of technical and musical demand comparable to the songs listed in the relevant repertoire list.
- No more than two musical theatre items may be included, bearing in mind that the balance of the programme must comprise predominantly Western classical repertoire and that popular and jazz styles are not acceptable.
- Most programmes will include music from both the operatic and lieder traditions to ensure a balanced and varied programme. There is no maximum number of songs.
- Songs in group A must be sung at the published pitch. Songs in this group written before c.1750 may alternatively be sung a semitone lower at baroque pitch. All other songs may be performed in any key, either published or in a transposed version supplied by the candidate.
- Candidates must observe the specified voice type, except where established performance precedent allows for a different voice type.
- At least three different living (ie not Latin) languages must be used. All works are to be sung in their original language unless otherwise stated. Where there is a precedent or tradition for an item being sung in more than one language (eg *Don Carlo/Don Carlos* in Italian or French, or *The Creation/Die Schöpfung* in English and German) then either commonly used language will be acceptable (unless otherwise stated).
- Where the listing does not stipulate that a recitative should precede the set aria candidates should use their judgement to decide on dramatic grounds whether or not to include any existing recitative.
- Although there is no requirement to perform from memory in Trinity's diplomas, singers are advised to perform their programme from memory as would be expected in a public recital, except when performing oratorio items and complex contemporary scores.
- Timings are as follows:

Diploma level	Performance duration	Exam duration
ATCL	32-38 minutes	40 minutes
LTCL	37-43 minutes	45 minutes
FTCL	42-48 minutes	50 minutes

- Candidates must provide a written programme and copies of all songs to be performed.
- Face-to-face exams: the appointment form, written programme, copies of the songs and approval letter (if applicable) should be given to the examiner at the start of the exam.
- Digital exams: the written programme, scans of the songs and approval letter (if applicable) should be uploaded with the video; songs should be listed on the relevant screen.
- For full details, including the process for submitting own-choice repertoire, please see the current syllabus at trinitycollege.com/performance-diplomas.
- Trinity's **A Recital Anthology** is a unique collection of 22 songs selected from the ATCL and LTCL repertoire lists, including songs in English, French, Italian, German, Spanish, Welsh, Catalan and Hindi, allowing performers to create diverse programmes in a range of languages. It is available in **high voice** and **low voice** versions.
