

Feedback Guidance for Practice Exam – GESE Grade 4

Teachers, you can use this table to help give your students feedback after their one-to-one practice exam with you in lesson 1 and 2 in week two. You could copy this and give each student a record of their practice performance, or simply use it to guide your feedback and to check what the whole class needs to work on before the exam day.

Exam requirements	✓	Suggestions for improvements
Topic phase		
Give information about the prepared topic in a series of limited long turns about the four discussion points on the topic form		
Answer questions on the prepared topic, and participate in an informal discussion, during which the examiner might request more information, facts or details		
Ask the examiner at least one question about the topic area		
Take the opportunity provided to include samples of the language functions and language items of the Grade where appropriate		
Conversation phase		
Show understanding of the examiner by responding appropriately to questions		
Make appropriate contributions with short statements		
Communicate limited information in simple and direct exchanges		
General		
Was able to have an <i>informal discussion</i> and was not memorising or reciting		
Did the practice exam feel similar to a real conversation?		
Did the student ask for help/clarification if they didn't understand?		
Was the exam enjoyable?
